

Single Phase Static Watthour Meter With Counter Type Display

- Available in ratings 2.5-10A, 5-20A, 5-30A, 10-40A, 10-60A
- 240 V, 50 Hz, Accuracy class 1.0
- ISI marked, fully conforming to IS 13779
- Tamper proof
- Withstands phase to phase 415V, surges 6-10 KV

MAXWELL INDIA

F-946(D), Road No. 14, V.K.I.A., JAIPUR – 302013

Single Phase Static Watthour Meter With LCD Type Display, Multifunction

- Available in ratings 2.5-10A, 5-20A, 5-30A, 10-40A, 10-60A
- 240 V, 50 Hz, Accuracy class 1.0
- ISI marked, fully conforming to IS 13779
- Battery backup to take reading in absence of mains supply
- Display of cumulative kwh, voltage, current, load(kw), power factor, frequency
- Tamper proof
- Withstands phase to phase 415V, surges 6-10 KV

MAXWELL INDIA

F-946(D), Road No. 14, V.K.I.A., JAIPUR – 302013

Single Phase Static Watthour Meter, Multifunction, LCD, With Billing Data History & Downloading

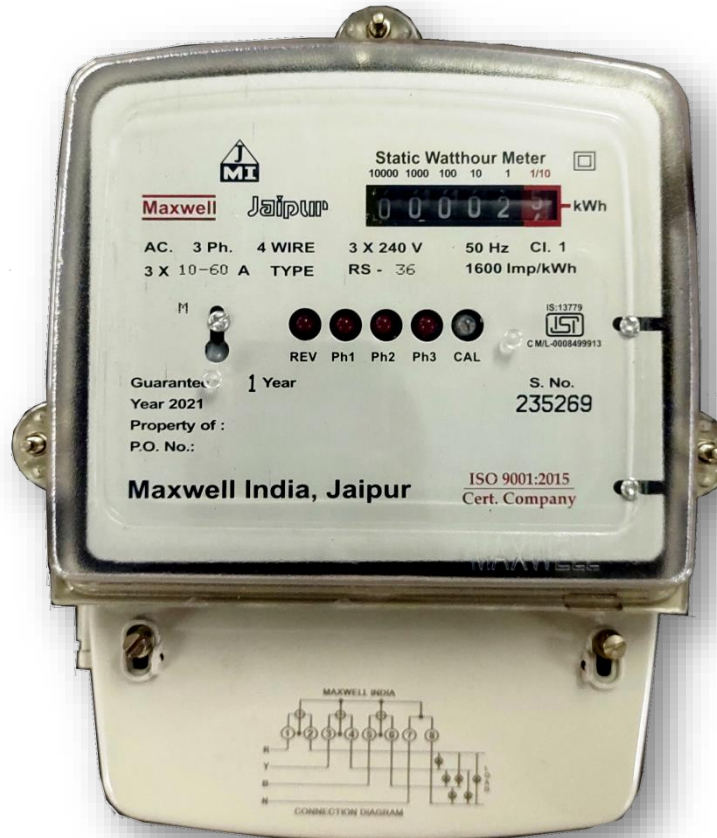

- Available in ratings 2.5-10A, 5-20A, 5-30A, 10-40A, 10-60A
- 240 V, 50 Hz, Accuracy class 1.0
- ISI marked, fully conforming to IS 13779
- Battery backup to take reading in absence of mains supply
- Display of cumulative kwh and kvah, md(kw), voltage, current, load(kw), power factor, frequency, previous six months kwh, kvah, md(kw)
- Tamper proof
- Downloading through optical port for billing data, tamper data and load survey data
- Optional - DLMS protocol and RJ11 communication port
- Withstands phase to phase 415V, surges 6-10 KV

MAXWELL INDIA

F-946(D), Road No. 14, V.K.I.A., JAIPUR – 302013

Three Phase Static Watthour Meter With Counter Type Display

- Available in ratings 10-40A, 10-60A, -/5A(ct operated)
- 3x240 V, 50 Hz, Accuracy class 1.0
- ISI marked, fully conforming to IS 13779
- Tamper proof
- Withstands surges 6-10 KV

Maxwell

Three Phase Static Watthour Meter, LCD Display, Multifunction

- Available in ratings 10-40A, 10-60A, -/5A(ct operated)
- 3x240 V, 50 Hz, accuracy class 1.0
- ISI marked, fully conforming to IS 13779
- Battery backup to take reading in absence of mains supply
- Display of cumulative kwh, kvah, kvarh, voltage, current, load(kw, kva, kvar), power factor, frequency
- Tamper proof , withstands surges 6-10 KV
- Optional - Six months history data of kwh, kvah, kvarh, md(kw)
- Optional - Downloading of billing, tamper and load survey data through optical/RJ11 port

MAXWELL INDIA

F-946(D), Road No. 14, V.K.I.A., JAIPUR – 302013

Three Phase Static Watthour Meter, LCD Display, Multifunction, Tri-vector, DLMS Protocol

- Available in ratings 10-40A, 10-60A, -/5A(ct operated)
- 3x240 V, 50 Hz, accuracy class 1.0
- ISI marked, fully conforming to IS 13779
- Battery backup to take reading in absence of mains supply
- Display of cumulative kwh, kvah, kvarh, voltage, current, load(kw, kva, kvar), power factor, frequency, six months history of kwh, kvah, kvarh, md(kw)
- Pulse output for both kwh and kvarh
- Tamper proof , withstands surges 6-10 KV
- DLMS protocol
- Downloading of billing, tamper and load survey data through optical/RJ11 port
- Optional - Data downloading through mobile app, usb/wifi/bluetooth
